

# Using eFunds for Schools Batesville Community School Corporation

The Batesville Community School Corporation is pleased to provide e-Funds for Schools. This program offers various options for parents/guardians who choose to make payments on-line through the school's website. Not only will you have the ability to have various school fees and lunch payments electronically withdrawn from your checking account or charged to your credit card, you also have the flexibility to make a payment at any time.

The e-Funds For Schools service is offered to you by a third party service provider, and they charge for processing your payment(s), similar to other on-line banking services. There is a \$1.00 transaction convenience fee for each electronic checking payment that you make. For payments made by credit or debit card, there is a convenience fee of \$2.45 per each \$100 increment in the transaction. When you set up your account, please review your options carefully. The e-Funds For School site is secure and uses industry standard data encryption.
