July 24, 2020

Although we will experience numerous changes to the logistics of how we arrive, eat lunch, and dismiss from school each day we are able to maintain our normal academic schedule including published lunch times. We will continue to utilize Bulldog Days on Monday's, Blue Days on Tuesdays and Thursdays, and White Days on Wednesdays and Fridays. Our daily schedule may be accessed at <https://batesvilleinschools.com/bhs/forms-info/>

Lunch Procedures:

- Students will be assigned lunch by their B3/W3 class in one of three areas: Cafeteria, Student Commons, or Activity Center.
- Students will be oriented on lunch procedures during the first few days of school.
- Students will be allowed to choose their seat for lunch. Once chosen, students will remain assigned to that seat for all corresponding lunch periods.
- All students will first sit at their assigned seat, and they will be released by table to purchase their food in their designated lunch line. Students will still be able to bring their lunch.
- All students will keep their mask on until they have been seated at their assigned seat and table.
- Students are to remain seated throughout lunch. If a student needs to use the restroom, throw away trash, etc., they will need to place their mask back on.
