Ivy Tech Fall 2020 dual enrollment courses remain available to BHS students. Ivy Tech dual enrollment book purchasing procedures and requirements will be finalized on Monday, August 3. All Ivy Tech dual enrollment courses are scheduled to begin on Tuesday, August 25.

Most Ivy Tech dual enrollment courses will meet virtually. The virtual component for Ivy Tech dual enrollment courses does require students to login during the specific class period. These times correspond with the normal BHS schedule. Some lab based courses will have face to face meeting requirements. Please reference the information below for further dual enrollment information.
