believe in **better**

January 9, 2024

Dear Current Batesville Schools Latchkey Families,

Batesville Community School Corporation has provided Latchkey afterschool care for your children for 10+ years. We are excited to announce that the Latchkey program will be transitioning under the leadership and supervision of the Southeastern Indiana YMCA.

The Y will continue to operate this program at Batesville Primary School under a new name, Y Pack. They are an experienced partner with schools across the country. Currently, the Y serves 500,000 children through quality afterschool programming at more than 10,000 sites throughout the country, with 85% of the programs being within the schools! The Southeastern Indiana YMCA takes pride in providing a safe, engaging Kids Club afterschool program on their Y campus, and that will continue. They are excited to extend that program to the Batesville School facility.

Important Dates and Information:

This new partnership with the Y leading the Y Pack afterschool program will begin in the 2024-2025 school year.

- Y Pack will be available for youth in grades pre-K through 6th afterschool until 6:00p.
- March 4, 2024: Y Pack registration for current BCSC Latchkey participants and incoming Little Bulldog Academy students.
- March 7, 2024: Y Pack registration will open to the community.

The Y will share more information and pricing details in late January. BCSC and the Y are excited for this new partnership to serve our community. If you have any questions, please reach to Amber Rossman at arossman@siymca.org.

Sincerely,

Tara Britton
