

Batesville Middle School Pick Up/Drop Off Procedures

- 1.) Morning student drop-off routes are symbolized with the blue arrows utilizing the south side of the school from 7:30- 7:55 am. Drivers should travel from West Pearl Street and turn onto First Street alongside the old gym. Students may be dropped off on the right anywhere along the sidewalk edge. After dropping off passengers, drivers should continue behind BMS to Second Street and turn onto West Pearl Street. For obvious safety reasons, drivers should never drop students off while proceeding in the opposite direction, as students would have to walk through traffic to reach the sidewalk. After 7:55 am, students will need to be dropped off at the Main Entrance Doors on Mulberry Street and sign in at the main office.
- 2.) After school student pick-up is symbolized with the red arrows. All students who are picked up from school by a parent/guardian will be met by their student at the west side of the school. Drivers are to enter off of Columbus Avenue by Batesville Intermediate School and follow the school buses as they exit. Student pick-up in a vehicle will not begin until 3:00 pm, as buses are in this area until that time.
