December 19 – First semester ends (Report cards will be sent home after our semester break)

December 22-January 5 – Semester break; Students return on Tuesday, January 6, 2026

From Mr. Stoneking

Our K-2 students will begin their middle of the year benchmark testing through mCLASS. Middle of the year data will allow us to see where students made gains and where they may need additional support. mCLASS is an all-in-one system for Science of Reading-based universal screening, dyslexia screening, and progress monitoring. Assessed through DIBELS 8th Edition, mCLASS helps measure and strengthen the foundational skills that all students need to become confident readers. DIBELS (Dynamic Indicators of Basic Early Literacy Skills) is a set of procedures and measures for assessing the acquisition of early literacy skills in kindergarten through third grade.

This is a reminder for first and second grade students to continue to log minutes online via the Beanstack app for our BPS Reading Challenge. First and Second Grade students must log 2,000 minutes by Friday, April 17, 2026 to complete the challenge and be eligible for participation in the spring celebration. If you have any questions, please contact Mrs. Lyness, BPS Media Specialist.

Happy Holidays

On behalf of BPS, we wish each of you a safe and enjoyable holiday season. The holidays should be a very joyful time for our students. We continue to thank you for your support and dedication to BPS. We wish you a great finish to 2025, and an amazing start to 2026!
