Read Across America Week!

Read Across America Week will take place the week of February 26th through March 1st. This year for Read Across America Week, we are celebrating books and all the different ways that reading can inspire us. Each day will focus on a different positive idea, feeling, or activity that we can read about. The goal is to get students excited about reading so that they have fun reading and challenging themselves. See the attached flyer for dress up days!
