Batesville swimming has been serving the community for 70 years! We are both a competitive and recreational swimming program for the residents of Batesville and the surrounding areas. Our team goals are about more than just swimming. We are focused on building friendships and character in our swimmers. We have a committed coaching staff ready to help your child improve and have fun. We have created multiple skill levels to allow your swimmer to start where they are most comfortable, from a beginner not ready to compete, to a high schooler looking to go to the next level. All swimmers are welcome on our team!
