From Mr. Stoneking

We want to thank our families and community members one more time for all of the generous donations received during our Walk-a-Thon fundraiser. All students will receive a popsicle during their long recess in the near future.

Teachers will be administering quarter one assessments through Friday, October 6. Our 1st nine weeks concludes on Friday, October 6. Progress reports may be sent home with kindergarten and first grade students after fall break. Teachers may decide to pass out progress reports during conferences. Second grade families will be able to view updated academic progress for the first quarter in PowerSchool once students return from fall break.

Save the Dates: BPS will have our annual Book Fair from Monday, October 30-Friday, November 3. More information to come!
