November 7

No School/No Students (Staff Professional Development Day)

November 17-November 21
BPS Scholastic Bookfair

From Mr. Stoneking

We want to thank our families and community members one more time for all of the generous donations received during our Walk-a-Thon fundraiser. All students will receive a popsicle during their long recess in the near future.

Teachers will be administering quarter one assessments through Friday, October 10, which is the final day of the first quarter. Progress reports may be sent home with kindergarten and first grade students after fall break. Teachers may decide to pass out progress reports during conferences on November 7th. Second grade families will be able to view updated academic progress for the first quarter in PowerSchool. All families will be invited to conferences on November 7th. Teachers will make contact with parents to setup conferences.

From Mrs. Essick

Continue to help reinforce the importance of safety. We teach students to NEVER open doors for anyone. It is highly important to teach fire safety and severe weather safety at home.

From Mrs. Porter

We will recognize Red Ribbon Week from October 27-October 31. RRW is an alcohol, tobacco, and other drug and violence prevention awareness campaign observed annually in October. Check out the flyer attached for our dress-up days.
