From Mr. Stoneking

Students are welcome to join the BPS staff each Friday in wearing “Bulldog” attire or blue and white. We want to show our “Bulldog” pride each week!

We want to thank all of our families for a smooth transition into the 2023-2024 school year. We truly appreciate your support and dedication.

Our first and second grade students are continuing to complete their beginning of the year NWEA testing in reading. First and second grade will start with reading, then will move to the math assessment. Kindergarten will begin testing after Labor Day on Thursday, September 7. We look forward to seeing all of our students grow academically throughout this school year.

From Mrs. Kunkel

Are you connected to Class Dojo?
Make sure you join in order to
receive real-time behavior updates
as well as classroom information!

Safety:

Continue to help reinforce the
importance of safety. We teach
students to NEVER open doors
for anyone. It is highly
important to teach fire safety
and severe weather safety at
home.

From our PTO

Our Walk-a-Thon online donation site
is LIVE. Please donate by going [here](#)
and feel free to share the link with
others!! We also accept cash/checks
that should be placed in your student's
school-issued envelope. The BPS Walk-
a-thon is Thursday, September 14th.
Our goal as a school is to raise
\$12,000. See the attached flyer for
more information!

During the walk, our students will vote
for the teacher with whom they wish
to receive a pie in the face by placing
a ticket in that teacher's bucket. We
will have a “Pie in the Face”
convocation in our gym on Thursday,
October 5th at 2:00 p.m.

Help BCEF build an **OUTDOOR LEARNING COMPLEX** at the **Batesville Primary School**.

BATESVILLE PRIMARY SCHOOL
OUTDOOR LEARNING COMPLEX | CONCEPT PLAN

The Batesville Primary School (BPS) continues to have increased enrollment. With indoor space at a premium at a school where our youngest learners need room to move around and explore, the BCEF board of directors would like to meet this need by building an outdoor learning complex on the west side of the building. Our plans include three distinct learning spaces: an open-air gathering/classroom area (concrete and/or pavers) with seating near the school, a shade-covered seating area, and a separate, covered classroom structure farther out with supplemental seating on a patio. All spaces would be connected by a green space with a winding sidewalk. A fence would safely secure the area from the parking lot. By providing BPS an additional, dedicated space outside that encourages creativity and personal connection with others in a fun, engaging, unplugged environment, BCEF hopes to give students the chance to **LEARN EVERYWHERE**.

Studies show that being outdoors helps students become:

- More engaged in learning
- More focused
- Mentally healthier
- More successful academically
