

Canvas Parent Account

Canvas is the learning management system used by teachers to deliver curricular content and support the digital learning experiences for all students. Canvas facilitates communication and provides access to course content. Teachers share Announcements, Discussions, Resources, Assignments, and Quizzes with the students. The students can access classroom resources, communicate with teachers, submit assignments, and take online assessments. With a Parent / Observer Account, you can view course information, resources, and events for your student.

Pairing Code

To set up a Parent Account or add a child to your existing Parent Account, you will need to obtain your child's Pairing Code

1. Log in to your child's account
2. Choose Account – Settings – Pair with Observer (on lower left)
3. Make note of this code. *This pairing code will expire after 7 days*
4. Log out of your child's account

Set up Parent Account

Click the 'Parent of a Canvas User? Click Here For an Account' link.

1. Enter your information and your child's Pairing Code
2. Agree to the terms of use
3. Click the Start Participating button

Add additional children to Parent Account

1. Log into your Parent Account
2. Choose Account - Settings – Observing
3. Enter the Pairing Code and choose +Student button

View User Dashboard

Once you are logged in, you will be able to access:

- Courses
- Calendar
- Curricular resources

For assistance, click on the Help link in the upper right and choose 'Search the Canvas Guides'.
