

SendMoneyToSchool has merged with Meal Magic Family Portal.

If you want to view your child's lunch account balance, apply for benefits (free or reduced meals and textbooks), deposit money, and check the activity of your student's lunch account. You will need to create an account in the Meal Magic Family Portal.

To create a new Meal Magic Family Portal account:

1. Go to: <https://batesville.familyportal.cloud>
2. Click on the 'Register' tab
3. Enter your email address for the username, click next
4. Review, and accept the terms of use, and privacy policy
5. You will receive notification to check your email for further instructions. Read the message. Then click "ok"
6. Follow instructions in the activation email.
7. You will be directed to the activation page.
8. Enter your First Name, Last Name, and a passphrase and submit. (A passphrase is a small easy to remember sentence, for example, "My dog spot is 12")
9. If your student(s) were able to be moved from your SendMoneyToSchool account, they will be displayed.

To add a child to your account:

1. Click "add person"
2. Enter your child's student number and click continue.
(Student ID can be found in the registration packet.)
3. Add additional information to Verify Student
First Name, Last Name, and Birthday
4. Click the Add student button
5. If you have multiple students, you will add each student to this account

To Make a Deposit
