PowerSchool SIS

Student information system to enhance communication regarding real-time student performance

- Access to grades
- Attendance

The screenshot shows the PowerSchool SIS interface for Batesville Community School Corporation. At the top, there is a logo with five stars and the text "BATESVILLE COMMUNITY SCHOOL CORPORATION believe in better". Below this is a blue header with the PowerSchool SIS logo. The main content area is titled "Parent Sign In" and includes a "Sign In" button and a "Create Account" button. There is a "Select Language" dropdown menu set to "English". Below that are input fields for "Username" and "Password". A link for "Forgot Username or Password?" is located below the password field. A "Sign In" button is positioned to the right of the password field. Below the parent sign-in section is a "Student Sign In" section with a "Student Sign In" button and a note: "Students - Click the button to sign in. You will be redirected to the Student sign in page."

We appreciate everyone's patience with our early-year car rider dismissal. Here are some tips to keep this process safe and efficient:

1. Make sure your car rider tickets are displayed and easy to see
2. Pull as forward as far as possible
3. Drive slowly and keep your eyes on the car in front of you
4. Remain in your vehicle (if your student is having trouble finding their vehicle, then we understand when you get out for a minute to wave them down, but the more we train the process, the better we will all get)
5. Help us teach your children that they never go beyond our blue line - The blue line is the cutoff to ensure our students are safe at all times
6. Students should never get in on the driver's side - Students should get in on the passenger side (safe side)
7. After your student gets in your vehicle, you are welcome to pull off to a parking spot to safely buckle them in
8. Teach your children the color of your
