Informed Consent for Early Graduation

Six Semester Graduate

BCSC Policy 5.0-6-3-1 specifies that a student may graduate in less than eight (8) semesters provided all requirements are fulfilled. For a student and their parent(s)/guardian(s) to make this decision, it is important that they understand the consequences of their decision.

A student who plans to graduate in May after their sixth semester will be eligible to participate in the graduation ceremony and associated functions at the end of the school year. They will also be eligible to attend and/or participate in any awards or scholarship recognition programs.

They will not be eligible for valedictorian, salutatorian, the Four Year Scholastic Award Plaque, or any other awards or scholarships that require eight semesters of high school attendance.

The signatures below indicate that a meeting was held to acknowledge that the student and parent(s)/guardian(s) have been informed of the aforementioned items, received a copy of BCSC Policy 5.0-6-3-1 regarding early graduation, and opt to pursue an early graduation.
