- We've seen an increase in students bringing **fidgit items** to school, which has led to classroom disruptions and issues with items being lost or broken. To help maintain a focused learning environment, **please keep fidgits at home** unless they are school-approved. Thank you for your support.
- The Batesville Community Education Foundation (BCEF) is sponsoring a spring **Honor a Staff Member sign campaign** to allow the community to thank Batesville Community School Corporation (BCSC) staff members.
  - For a minimum donation of \$10 per sign, ANY BCSC employee can be thanked for a job well done. Check out details [here](#).
  - The deadline is Thursday, April 23 to have a sign with the employee's name placed outside the school in early May.
  - Learn more at <http://batesvilleeducationfoundation.org/get-involved/honor-a-teacher/>.
- The Batesville Community Garden beds (located by the Batesville Intermediate School) are available to local residents and community members.
