eFunds for Schools
Batesville Community School Corporation

The Batesville Community School Corporation is pleased to provide e-Funds for Schools. This program offers various options for parents/guardians who choose to make payments on-line through the school's website. Not only will you have the ability to pay school fees and lunch payments electronically, you also have the flexibility to make a payment at any time.

The e-Funds for Schools service is offered to you by a third-party service provider. The service fee will be waived through September. After that date, the charge for processing your payment(s), will be similar to other on-line banking services. The e-Funds for School site is secure and uses industry standard data encryption.

To set up your eFunds account for your child, refer to the instructions below. You will need to enter the Student Number, which can be found in the Back to School information from school.

Log in to eFunds using one of the two links below:
1. Choose the eFunds for Schools link on the school web site
2. Go to the web site: https://eps.mvpbanking.com/cgi-bin/efs/login.pl?access=55550

First time users, set up your account:
