ability, all questions will be addressed by or on behalf of the School Corporation and sent to potential bidders, including any bidders requesting 24 hours' notice of sale, no later than 5:00 p.m. (Indianapolis Time) on October 22, 2021 (2 business days prior to the sale date). Additionally, upon request, the written responses will be emailed to any other interested bidder. Bidders should review this notice as well as the Preliminary Official Statement and submit any questions in advance of this deadline to submit questions.

The School Corporation reserves the right to adjust the maturity schedule following the sale in order to accomplish the School Corporation's financial objectives by reallocating debt service based upon the rates bid by the successful bidder (the "Purchaser").

The Bonds are not subject to optional redemption prior to maturity.

A bid may designate that a given maturity or maturities shall constitute a term bond, and the semi-annual amounts set forth in the schedule provided prior to the sale shall constitute the mandatory sinking fund redemption requirements for such term bond or bonds. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.

In the case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to the date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.

The Bonds have been designated as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

Each bid must be for all of the Bonds and must state the rate of interest which each maturity of the Bonds is to bear, stated in multiples of 1/8th or 1/100th of 1%. The maximum interest rate of the Bonds shall not exceed 5.00% per annum. All Bonds maturing on the same date shall bear the same rate. No bid for less than 100% of the face value of the Bonds will be considered. The Bonds will be awarded to the lowest responsible and responsive bidder who has submitted a bid in accordance herewith (the "Purchaser"). The Purchaser will be the one who offers the lowest net interest cost to the School Corporation, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the School Corporation prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter without further advertisement, during which time no bid which provides a higher net interest cost to the Corporation than the best bid received at the time of the advertised sale will be considered.

Each bid not submitted via PARITY® must be enclosed in a sealed envelope addressed to the School Corporation and marked on the outside Batesville Community School Corporation Bid for General Obligation Bonds of 2021. A good faith deposit ("Deposit") in the form of cash, wire transfer, or certified or cashier's check in the amount of \$40,000* payable to the order of the School Corporation is required to be submitted by the Purchaser not later than 3:30 p.m. (EST) on the next business day following the award. If such Deposit is not received by that time, the School Corporation may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails

to honor its accepted bid, the Deposit will be retained by the School Corporation as liquidated damages.

The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the School Corporation and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the School Corporation fails to have the Bonds ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the Purchaser may secure the release of the bid upon request in writing, filed with the School Corporation. Unless otherwise requested by the winning bidder, the Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository-eligible. If the Bonds are reoffered, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the School Corporation the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

All provisions of the bid form and Preliminary Official Statement (as hereinafter defined) are incorporated herein. As set forth in the Preliminary Official Statement, the Purchaser agrees by submission of their bid to assist the School Corporation in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the School Corporation at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the School Corporation and Ice Miller LLP ("Bond Counsel").

Bidders must comply with the rules of PARITY[®] (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice,

this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefor to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the School Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the School Corporation; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The approving opinion of Bond Counsel, together with a transcript of the proceedings relating to the issuance of the Bonds and closing papers in the usual form showing no litigation questioning the validity of the Bonds, will be furnished to the successful bidder at the expense of the School Corporation.

The Bonds are being issued for the purpose of the renovation and construction of improvements to the high school including site improvements and the purchase of equipment and technology, and will be direct obligations of the School Corporation payable out of ad valorem

taxes to be collected on the taxable property within the School Corporation; however, the School Corporation's collection of the levy may be limited by operation of I.C. 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The School Corporation may not be able to levy or collect additional property taxes to make up this shortfall. The School Corporation is a school corporation organized pursuant to the provisions of I.C. 20-23; the Bonds will not be "private activity bonds" as defined in Section 141 of the Code.

The School Corporation is conducting this sale pursuant to Indiana Code § 5-1-11-1(2) and is using a competitive process outlined in this notice for the purpose of selecting the Purchaser to whom it will sell its Bonds pursuant to the terms in this notice.

The Bonds constitute an indebtedness only of the School Corporation. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is exempt from all income taxation in Indiana. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is excludable from gross income for purposes of federal income taxation.

A copy of the Preliminary Official Statement may be obtained from the School Corporation's municipal advisor, Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687. Within seven (7) business days of the sale, the School Corporation will provide the successful

bidder with sufficient copies of the Final Official Statement (the "Final Official Statement") at the School Corporation's expense in order for such bidder to comply with Section (b)(4) of the SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board. Inquiries concerning matters contained in the Preliminary Official Statement must be made and pricing and other information necessary to complete the Final Official Statement must be submitted by the Purchaser within two (2) business days following the sale to be included in the Final Official Statement.

If the Bonds are reoffered by an underwriter, the School Corporation agrees to enter into a third supplement to continuing disclosure undertaking (the "Master Agreement") in order to permit the Purchaser to comply with the SEC Rule 15c2-12, as amended to the date hereof (the "SEC Rule"). A copy of the Master Agreement is available from the School Corporation or municipal advisor at the addresses below.

The School Corporation has further agreed to comply with the Purchaser's reasonable requests to provide or disclose information and make appropriate filings which may be required in order for such purchaser to comply with the SEC Rule.
